Transport Provided by The Gryphon School

Students are invited to apply for bus seats for the academic year commencing 4th September 2019. All students who wish to travel on a Gryphon school bus will need to apply for a seat, even if they have previously used the service.

It is the school's policy to give priority to the Sixth Form students. The application process for Sixth Form students will open from Monday 3rd June 2019 at 8am until Monday 17th June 2019. The application process will then be open to all year groups from Tuesday 18th June 2019 at 8am, on a first-come-first-served basis. We recommend parents/students apply as soon as the application process opens for the best possible chance of being allocated a bus seat on their preferred route.

How to apply for a Gryphon bus seat

The bus fare for all routes, for the academic year 2019/20 is £950. An online initial payment of £70, made through WisePay, is required at the time of booking. Places will not be confirmed until the payment has been received.

For new students, information about using WisePay, together with login details, are attached. Existing students who require a reminder of WisePay login details should contact the Bursary on finance@gryphon.dorset.sch.uk.

Parents can then either make a further single payment of £880 on or before 1 September 2019 or choose the 'Recurring payments' option to set up automatic monthly instalments of £80 when making the initial payment. If this option is chosen, we will collect 11 monthly payments of £80 from the card number supplied, commencing on or just after the first of the month starting from 1st July 2019 and ending 1st May 2020. Please ensure you agree to all three terms and conditions on WisePay, in order to complete the recurring payment set up.
