Learning Hub Disadvantaged & SEND Strategy: Attend – Learn – Keep Up – Enrich – Engage

Attend:

Be aware of students in the Learning Hub
Register all students that come to work within the Learning Hub
Alert relevant members of staff of the whereabouts of a student
Contact SLT if a student hasn't arrived at the Learning Hub

Learn:

Support both individual students and staff with working, making sure their choices of reading are appropriate to their level and capabilities and their interests.
Ensure students are engaged during reading lessons.

Keep Up

To ensure all disadvantaged students get the correct support when needed to allow them to keep up with reading.

Enrich

To support where and when needed at the after-school homework club
The Learning Hub is readily available to all students to access during the relevant times; this includes during English lessons and other times of the day.

Engage

Ensure outside events such as World Book Day and book fairs are widely available and advertised well.
